- 2) Create an account if you have never used this site to register for a sport before. You will need the Student ID Number and Last Name as is appears in Genesis to set the account up. Once set up, you will be taken to the registration form. All required information must be completed before registration can be submitted. If anything is missing, the system will alert you and registration will not be completed until you enter the required information. Please be sure to remember/write down your user name and password.
- 3) New middle school athletes will have to create a family account by selecting the link under “Middle School Registration”. You will need the Student ID Number and Last Name as is appears in Genesis to set the account up. Once set up, you will be taken to the registration form. All required information must be completed before registration can be submitted. If anything is missing, the system will alert you and registration will not be completed until you enter the required information. Once again, please be sure to remember/write down your user name and password. If you already have a family account please choose the “Returning Users” option to log in.

You will need to login to your family account to upload your students physical. Please save the physical as a pdf to your computer. Once saved, choose the option that says “add” then select “choose file”. Once uploaded, select “save”. You do not have to submit the physical this way. The student or parent can physically drop it off in our main office or to Mr. Diamond. Faxed copies are NOT accepted.

Please note physicals must be on the state form for athletics. If you do not have a copy or are unable to download a copy, we can provide you with one. Please make sure all information on the physical form is completed and that they are stamped and signed where required. Once physicals are turned in, they are sent to the school doctor for approval. This could take up 5-7 days before students are cleared for their sport.

If you already have a family account set-up and want to register a new student/family member, please login to the family account and click on the register link on the left and click on Register New Student. See below for example on how to register another family member.
