

2019 Fall Sports Information

- High School Fall sports registration opens on June 1st and closes August 5th for all high school sports.
- Physicals for high school athletes playing a high school sport must be submitted by August 1st. Physicals are good for 365 days. For example, if the physical was completed on August 1, 2018 it will expire on July 31, 2019.

- Middle School Fall sports registration opens June 1st and closes August 26th for all middle school fall sports.
- Physicals for middle school athletes playing a middle school sport in the fall must be submitted by August 26th. Physicals are good for 365 days. For example, if the physical was completed on August 26, 2018 it will expire on August 25, 2019.

- Impact Testing dates for all athletes are June 4th or June 6th. If you had an ImPACT test prior to September 1, 2017, you will need a new baseline test. ImPACT baseline tests are required by the school district.

- Meet the Coaches Night is June 10th from 6:30 to 8. The computer lab will be open for anyone that needs assistance registering.

How to Register for Sports

All students playing a sport must register each season. Again, the registration period is February 12th to February 20th. When registering a student for athletics/activities please go to www.mshsathletics.org

Once on the page, scroll down until you see the below:

Athletic Team Registration

Please click on what you would like to register for.

For Athletic Team Registration you will be required to do one of the following:

- 1) Login by entering your user name and password if you are a returning user. This means you already have a family account set up and have registered for previous sports seasons.
- 2) Create an account if you have never used this site to register for a sport before. You will need the Student ID Number and Last Name as is appears in Genesis to set the account up. Once set up, you will be taken to the registration form. All required information must be completed before registration can be submitted. If anything is missing the system will alert you and registration will not be completed until you enter the required information. Please be sure to remember/write down your user name and password.
- 3) New middle school athletes will have to create a family account by selecting the link under “Middle School Registration”. You will need the Student ID Number and Last Name as is appears in Genesis to set the account up. Once set up, you will be taken to the registration form. All required information must be completed before registration can be submitted. If anything is missing the system will alert you and registration will not be completed until you enter the required information. Once again, please be sure to remember/write down your user name and password. If you already have a family account please choose the “Returning Users” option to log in.

You will need to login to your family account to upload your students physical. Please save the physical as a pdf to your computer. Once saved, choose the option that says “add” then select “choose file”. Once uploaded, select “save”. You do not have to submit the physical this way. The student or parent can physically drop it off in our main office or to Mr. Diamond. Faxed copies are NOT accepted.

Please note physicals must be on the state form for athletics. If you do not have a copy or are unable to download a copy, we can provide you with one. Please make sure all information on the physical form is completed and that they are stamped and signed where required. Once physicals are turned in, they are sent to the school doctor for approval. This could take up 5-7 days before students are cleared for their sport.

If you already have a family account set-up and want to register a new student/family member, please login to the family account and click on the register link on the left and click on Register New Student. See below for example on how to register another family member.
