You will need to login to your family account to upload your students physical. Please save the physical as a pdf to your computer. Once saved, choose the option that says “add” then select “choose file”. Once uploaded, select “save”. You do not have to submit the physical this way. The student or parent can physically drop it off in our main office or to Mr. Diamond. Faxed copies are NOT accepted.

Please note physicals must be on the state form for athletics. If you do not have a copy or are unable to download a copy, we can provide you with one. Please make sure all information on the physical

form is completed and that they are stamped and signed where required. Once physicals are turned in, they are sent to the school doctor for approval. This could take up 5-7 days before students are cleared for their sport.

If you already have a family account set-up and want to register a new student/family member, please login to the family account and click on the register link on the left and click on Register New Student. See below for example on how to register another family member.
