

2022/2023 Winter Sports Information

- HS sports registration opens on October 28th and closes on November 14th.
- Sports physicals for students without a medical home (doctor) will be given on November 9th at 12:00 PM. Students will have to pre-register.
- Physicals must be submitted by November 14th. Physicals are good for 365 days. For example, if the physical was completed on November 21, 2021 it will expire on November 20, 2022. This means your physical will expire a day before the first practice on 11/21/2022.
- If you did not play a fall sport and have Asthma or require an Epi Pen, please make sure you have turned in new forms to the nurse. They were mailed home in the spring and are required each school year.
- A baseline ImpACT Testing is required for all athletes. The baseline is good for two years. If your child had an ImpACT baseline test on or before December 1, 2020, they will need a new test. ImpACT baseline testing will be taken at home. You will be contacted if you need to take a new ImpACT baseline test. An email will be sent through ImpACT to the student email. You will not be able to take the test on a cell phone. You must use a computer.

For Athletic Team Registration you will be required to do one of the following:

- 2) Create an account if you have never used this site to register for a sport before. You will need the Student ID Number and Last Name as it appears in Genesis to set the account up. Once set up, you will be taken to the registration form. All required information must be completed before registration can be

submitted. If anything is missing the system will alert you and registration will not be completed until you enter the required information. Please be sure to remember/write down your user name and password.

3) New middle school athletes will have to create a family account by selecting the link under “Middle School Registration”. You will need the Student ID Number and Last Name as it appears in Genesis to set the account up. Once set up, you will be taken to the registration form. All required information must be completed before registration can be submitted. If anything is missing the system will alert you and registration will not be completed until you enter the required information. Once again, please be sure to remember/write down your user name and password.

If you already have a family account please choose the “Returning Users” option to log in.

You will need to login to your family account to upload your students physical. Please save the physical as a pdf to your computer. Once saved, choose the option that says “add” then select “choose file”. Once uploaded, select “save”. You do not have to submit the physical this way. The student or parent can physically drop it off in our main office or to Mr. Diamond. Faxed copies are NOT accepted.

Please note physicals must be on the state form for athletics. If you do not have a copy or are unable to download a copy, we can provide you with one. Please make sure all information on the physical form is completed and that they are stamped and signed where required. Once physicals are turned in, they are sent to the school doctor for approval. This could take up 5-7 days before students are cleared for their sport.

If you already have a family account set-up and want to register a new student/family member, please login to the family account and click on the register link on the left and click on Register New Student. See below for example on how to register another family member.
